**Orchard Street strengthens team with the appointment of Alice Murray as asset manager**

Orchard Street Investment Management ('Orchard Street'), the specialist commercial property investment manager, has bolstered its Business Space team with the appointment of Alice Murray as asset manager.

In her new role, Alice will be part of the six-strong team responsible for managing Orchard Street's c£2.1 billion office and industrial portfolios, helping implement business plans, manage tenants and drive performance.

Alice joins from Savills, where she was part of the City Agency team specialising in leasing disposals and acquisitions across Central London on behalf of both landlords and occupiers. She also previously gained experience in Development Consultancy and Commercial Valuations during her time with Savills.

**Commenting Richard Walters, a Partner at Orchard Street and Head of Business Space, commented:** "Alice is an excellent addition to the Orchard Street team who will both provide support to our current operations and strengthen our future asset management capabilities as we look to continue our business growth."
