### Orchard Street promotes Dana Eisner to Partner

Orchard Street Investment Management ('Orchard Street'), the specialist commercial property investment manager, is pleased to announce the promotion of Dana Eisner to Partner.

Dana joined Orchard Street in January this year to lead the business' investor relations activities. Her appointment reflected the firm's continuing ambition to expand, which is seeing it develop and grow institutional client and consultant relationships, as it explores raising capital from new investor groups, both on and off shore.

**Philip Gadsden, Managing Partner at Orchard Street, commented:** "Dana has shown terrific energy since joining Orchard Street and is making great strides in driving the growth of our investment management activities. We are thrilled to announce her promotion to Partner and look forward to working with her over the coming years to deliver the best service to existing and future clients."
